Remote Learning Guidance: Grades 6-8 Family Schedules

Announcement: **For parents and students asking about how to order graduation pictures- You will need to go to www.shop.hrimaging.com. First, it will ask for your school name – you need to type 'Healy' only, as we don't have the 'Robert' in our system. From there, you follow the prompts. Just before you see the images, you will need your student's subject number – it was on the paper we sent home on picture day, as well as the proof envelope – but if you don't have it, there is a link below where you can get it, as long as you know your student ID number. We think that there is an option to upgrade to mail-home shipping, but it is farther into the cart, so we can't verify that. Please e-mail your homeroom teacher if you have any questions!**

6-8 Weekly Template: 180 minutes

Activity	Monday	Tuesday	Wednesday	Thursday	Friday
