THE ENSEMBLE TRYOUTS:

Get ready to "let it go!" The Healy Ensemble is holding tryouts for Frozen, Jr., and we're looking for brave, outgoing stars to join our magical cast! To try out, students MUST come to both days: Tuesday, December 9, 2025 AND Thursday, December 11, 2025. Tryouts are from 2:45-4:30 PM. Permission slips can be found outside the auditorium and at both security desks. Don't forget to bring your signed permission slip to tryouts! On tryout days, students should head straight to the auditorium at dismissal (2:45 PM) and must stay in the building. Pick-up is at the main front doors at 4:30 PM. Important: Students picked up late cannot be considered for the Ensemble. We're so excited to see everyone shine on stage. Let the fun begin!

8th GRADE SCIENCE:

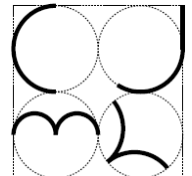

Save Six Flags! The 8th graders have been working for months on proposals for new roller coasters for Six Flags using their knowledge of kinetic energy and potential energy. These real world scenarios are crucial for science knowledge development. Each team of engineers created a working model that YOU can come test out and vote on during Family Night, Tuesday, December 9. Who will have the best themed coaster? You decide!
