## PREPARING FOR THE IAR ASSESSMENT:

The IAR tests will be administered from April 3 through April 19. The night before the tests be sure your child gets a good night's sleep. Adequate sleep is a key factor in student success and studies prove that students who get a good night's sleep perform better on standardized tests. Encourage your child to eat a healthy, filling breakfast. Getting a good night's sleep and eating a healthy breakfast will help children focus and do their best on test days.

## DROP EVERYTHING AND READ DAY:

Healy students will be celebrating D.E.A.R (Drop Everything And Read) Day on April 12. Classrooms will be paired together and older students will read books to younger students. This celebration will help students build community and promote the importance and joy of reading! You can celebrate this at home by taking your child to the library and reading together!

## CLEAN AND GREEN:

In celebration of Earth Day, Healy's Clean and Green Event will take place on April 27! Seventh and eighth grade students are invited to participate in cleaning the school grounds and planting flowers to make our school look beautiful this spring! Interested students should get permission slips from their teachers. We are collecting bulbs, gardening tools, gloves, bags of soil and large garbage bags for the event. Please bring donations to Healy main office the week of April 22!
