✓ Free

### Why should I opt my child in?

Routine testing helps identify coronavirus infections quickly and before symptoms arise, which can reduce in-school transmission and help keep your child healthier.

### Who is eligible?

Testing is available to everyone, including students, teachers, and staff, whether they are showing symptoms or not.

### Don't wait for an outbreak

Weekly testing can reduce in-school infections by ~50%\*

### How to get started

Sign up your child **in minutes** with our secure and user-friendly registration portal, giving one-time consent and HIPAA authorization. Scan the QR code to get started now.
