You'll need to pick up a permission slip from outside the auditorium, or you can print one from our Google classroom. You can access the audition materials on the Drama Google classroom. You can use code **lg1bo2o** to join in Google classroom. You should MEMORIZE both the song and the side (script pages) for the role you're interested in. Sheet music, script pages, and recording of the music are included. Space is limited, so make sure you do your best to prepare for the audition. Hope to see you there!
