Safety During Drop Off and PickUp

The safety of our children is a major concern every year. We know drop off and pick up can be very stressful, however, it is important we follow all traffic laws and be considerate of all students, staff and neighbors. During the morning drop off, please drive along Parnell and stop at the curb to drop your children off. Please do not park along Parnell or 30th street in the mornings. There will be students on patrol to help direct younger students into the annex building. Please do not double park around the school. The Chicago Police Department will be issuing tickets to illegally parked and unattended vehicles.

Beginning Monday, February 7th, ALL students in the ANNEX building will be coming in through the front doors. The kindergarten and 3rd grade will still dismiss from the back doors, but they will enter through the front doors.

As a reminder, please do not bring dogs during drop off or pick up. We have a large student population and it is unsafe.

PARENT WORKSHOP

Our next "The Do Good Movement Workshop" in the continuing series is on Wednesday, February 9th. February's workshop covers analyzing emotions and how we communicate to others. There is an 8:15am session and a 5:30pm session. Both sessions cover the same topic, so you are able to select the time that best fits your schedule. A Chinese translator will be present.

Local School Council (LSC) Election

The LSC Election will be held on April 20th. If you are interested in running for the LSC, applications can be picked up in the office or are available on the Healy Website. Paper applications must be submitted in person to the school office by March 4th. No email, mailed, or faxed applications will be accepted.
