### 2nd grade

I will be posting one assignment and one enrichment activity today. The assignment given today is one I gave a few weeks ago on the index. I am giving you another chance to turn the work in if you did not do it the first time. **Assignments are graded.** Enrichment activities will be fun activities, like games, a student can do if they completed the work. **Enrichment activities are not graded.**

#### Assignment:

This week we will be practicing with the index, the part of the book that helps us find what we want to read about without having to look at the whole book. Complete the [Index worksheet](#) on a separate sheet of paper and upload it to Class Dojo, or type your answers directly on a Class Dojo message. (Click on the link "worksheet" to get the pdf file)

#### Enrichment:

Word Derby (Steer your car to the correct word to complete the sentence)

<https://www.funbrain.com/games/word-derby>

### 3rd grade

All work for 3rd Grade can be found on Google Classroom for Library and will be turned in on Google Classroom. There are 5 assignments that must be turned in. If you have a grade for an assignment, I have already graded it, so DO NOT RESUBMIT. If you have a "0" or it says missing, you still need to work on it. Check student portal to make sure your assignments have been updated. I update your grades after 3 pm everyday. Only work turned in before 3 pm will be updated that day, the rest will be updated the next school day. (I don't update grades Saturday's or Sunday's). Students that have completed all assignments before Monday morning, will receive some fun games for them to enjoy later in the day. Email me with any questions, [crquevara@cps.edu](mailto:crquevara@cps.edu).

4th grade This week is a holiday week and a good week for exploring. Tell me one

interesting thing you saw on your online tour. Happy Memorial Day!

Field Museum Online Tour
