Local School Council (LSC) Forum

The Candidates' Forum will be held on Wednesday, March 23 at 5:00. All candidates will have an opportunity to present their qualifications and reasons for running for the Healy Local School Council. Parents and community members are encouraged to attend and hear these presentations. The LSC Election will be held on April 20, Parent Teacher Conference night.

Safety During Drop Off and PickUp

The safety of our children is a major concern every year. We know drop off and pick up can be very stressful, however, it is important we follow all traffic laws and be considerate of all students, staff and neighbors. During the morning drop off, please drive along Parnell and stop at the curb to drop off your children. Please do not park along Parnell or 30th street in the mornings. There will be students on patrol to help direct younger students into the annex building. **Please do not double park around the school.** The Chicago Police Department will be issuing tickets to illegally parked and unattended vehicles.

As a reminder, please do not bring dogs during drop off or pick up. We have a large student population and it is unsafe.

PARENT WORKSHOP

"The Do Good Movement Workshop" series continues on Wednesday, March 9. Our March workshop identifies what triggers emotions and self-regulation techniques. There is an 8:15 am session and a 5:30 pm session. Both sessions cover the same topic, so you are able to select the time that best fits your schedule. A Chinese translator will be present.

Congratulations to CJML Teams!!!!

Congratulations to Healy School on the first CJML competition of the year. Our 6th, 7th, and 8th graders came in first place for our category and many of our students walked away with 1st through 5th place medals. Thank you to our Healy Staff for cheering on our students on a Saturday morning. The final competition will be on Saturday, May 7. Please mark your calendars, and consider joining us!

PREPARING YOUR CHILD FOR THE IAR ASSESSMENT

The night before the IAR Assessment, be sure your child gets a good night's sleep. Adequate sleep is a key factor in student success and studies prove that students who get a good night's sleep perform better on standardized tests. Encourage your child to eat a healthy, filling breakfast. Getting a good night's sleep and eating a healthy breakfast will help children focus and do their best on test days. The IAR tests will be administered from March 21 until April 7.

5th Week PROGRESS REPORTS

Students will receive their 5th Week Progress Reports on March 4. Please review this report with your child and analyze their progress and areas of improvement. Please contact the teachers if a conference is requested. Third Quarter report cards will be picked up on April 20.
