PARENT ADVISORY and BILINGUAL ADVISORY COUNCILS:

We will have our BAC/PAC meeting on Wednesday, November 12 in the Annex Cafeteria at 8 am. Ms. Houcek, Healy Counselor, will talk about the high school application process. Coffee and pastries will be served. We encourage a strong participation from the Healy Community. All parents are welcome. You will be helping your children and all of Healy School.

THE 7th GRADE SCIENCE SCENE:

Fall is here and there are beautiful leaves all around us. Some classes have collected leaves and looked at their stomata openings, pores that allow for gas exchange, under the microscope. Other classes have used leaves in their terrariums to discuss nutrient cycling and decomposition. This time of year provides a wonderful opportunity to incorporate leaves into Healy science instruction.
