Instrument Petting Zoo

The Healy Orchestra will kick off another great year with our instrument petting zoo on Monday, October 22nd, from 3pm - 5pm. All 5th through 8th grade students interested in our after school instrumental program are invited to attend **with their parents** for more information. Students will be given the opportunity to try out several instruments, including the violin, flute, clarinet, trumpet, guitar or drums. If students choose to join the orchestra, a representative from Quinlan and Fabish will be available to speak with parents about the instrument rental program. For any students wishing to join the_orchestra, **a parent must be present** to enroll their child in the program. Hope to see you there!
