Our overall school attendance for the month of September was 96.83%.

STUDENT OF THE MONTH: We extend congratulations to the fine students and their parents and families who have been nominated for Student of the Month for their outstanding citizenship and school spirit. On October 5th, these students will be honored at a ceremony with Mrs. Kamradt. A parent or guardian will be invited to attend.

Local School Council: Our Local School Council meetings are held on the second Wednesday of the month at 5:30 in the lunchroom of the annex building. Local School Councils consist of parent representatives, community members, faculty members, and the principal.

Book Fair: Our Annex Library will be hosting a book fair from October 24 through November 2. Please look out for the flier with additional information. The money raised will go towards replacing lost books.

Covid Testing: We are still conducting weekly surveillance testing for Covid. We typically test students and staff on Thursdays. If you would like to sign your child up to be tested, please visit the [link](#) on the Healy website.

FALL PICTURE DAY: All students will have the opportunity to have their pictures taken on October 19. Proof packets will be distributed soon after picture day. If you have any questions, please call the office.

Please do not bring dogs during drop off or pick up. We have a large student population and it is unsafe.

Safety During Drop Off and PickUp:

The safety of our children is a major concern every year. We know drop off and pick up can be very stressful, however, it is important we follow all traffic laws and be considerate of all students, staff and neighbors. During the morning drop off, please drive along Parnell and stop at the curb to drop your children off. Please do not park along Parnell in the mornings. You do not need to get out of your car. There are patrol students and staff members there to assist your child out of the car and into the building. During pick up, we close Parnell to all traffic beginning at 2:30PM. If you are parked on Parnell, you will need to remain parked until cars are released (around 2:55pm) This is to ensure all of our students are able to safely exit the buildings and school grounds. There should be no double parking around the school. Double parking your car and leaving your car unattended is illegal. Please do not drive through the alleys around school and/or park your car in any of the restricted areas: alleys, Parnell west side, Wallace east side. This is not only dangerous, but you may be issued a ticket for leaving/ abandoning your vehicle. Please continue to be very careful and vigilant as you drive your car near the school. Please report unsafe drivers or individuals to the school office / CPD.
