WELCOME TO SCHOOL YEAR 2023-2024:

We look forward to another outstanding year of academic successes and achievement of personal goals. We invite you to participate fully in our educational opportunities and programs, and we thank you, parents, our partners in this most important work, educating your children. Your cooperation, interest, and communication are valuable; encouraging your children to excel in school, to complete all of their homework, to be in attendance daily, on time at 7:45 am, to wear school uniforms, and to cooperate with teachers, staff, and fellow students is crucial to their success.
