September 2, 2014

Dear Parents,

On behalf of our school's faculty and staff members, as well as the Local School Council, it is truly my pleasure to extend a warm and sincere welcome to you as we begin the 2014-2015 school year at Healy Elementary School. The beginning of the year is the perfect time to reconnect with old classmates and welcome new ones. As I begin my fifth year as principal of Healy Elementary School, I will continue to work conscientiously with parents, faculty, and members of the community to encourage an atmosphere that promotes a learning community characterized by child-centered instruction, academic excellence, respect, family and community involvement, and recognition of both student and staff achievement.

This agenda is designed to help you maintain a close home-school connection. Your child will record daily assignments in this book, and in this way, you will be able to encourage homework accountability and check the book for teacher comments or notes to you. The rules and procedures of Healy School are printed on the following pages. Read the rules with your child and refer to them as needed. The information provided will help to clarify policies and expectations.

The safety of our children is a major concern every year. Be very careful as you drive your car near the school. Students are to be dropped off and picked up on the Parnell Avenue side. **Do not double park your car** or leave your car unattended on any of the streets around the school; this is dangerous. *Cars will be ticketed.* Use the nearest crosswalk to drop off your children. Jaywalking is illegal; do not cross in the middle of the street. Do not drive through the alleys around the school; this is also dangerous. The crossing guards and patrol guards will cross your children. We must constantly be aware of the traffic around the school, especially between **drop off time and dismissal time**. Please help us to make the area around the school safe for all of our children.

It is important for students to have all of the tools available that will help them to have the best year ever, and parental support is crucial to a child's success.

Again, we thank you for your cooperation and wish you and your child a most wonderful and successful school year, 2014-2015. If you have any questions, please contact the school office (773-534-9190).

Sincerely,

Alfonso Carmona  
Principal

## **Healy School's Vision for Education**

Robert Healy School, a Fine and Performing Arts Magnet Cluster School, is a vibrant learning community whose integrated rigorous curriculum is aligned to Common Core State Standards to meet the needs of all students. Our focus on literacy, math, technology and the arts, provides a high quality college and career ready education for all students. We accomplish this by utilizing partnerships with parents, community organizations, cultural institutions, universities, and corporations.

## **Activity Fee**

Each year, due to the rising costs of books, paper and supplies, it is necessary to ask that every child in our school pay an activity fee of \$25. This money will help pay for the purchase of paper for student worksheets, our newsletters, the agenda book, and various supplies and incentives needed throughout the school year. This fee will be collected only one time during the school year. This money will be collected by the classroom teacher. Please send your money in an envelope with your child's name and room number printed on it.

## **Admission**

Healy is a neighborhood school, accepting children for pre-kindergarten (age 4) through grade eight. **In order to attend Healy School, a student must live within the boundaries of the school.** The parents must provide proofs of residency upon enrolling the child. The proofs required may be phone, electric, or gas bills, checking account, or another form of identification. A driver's license is required as additional proof. Medical records and inoculations must be up to date. Kindergarten students and sixth grade students must have a new physical upon entering in August. An original birth certificate will be required.

## **Attendance, Absences and Tardies**

Attendance improvement is one of our major goals every year. Students must be in school regularly to get a good education. Healy School is proud of its current 96.5% perfect attendance. Please make sure that your child is in school every day. It is also important that your child be on time every day.

If your child must be absent, please notify the school by calling the **Main Building (773) 534-9190** or **Annex Building (773) 534-9170** by **8:30 a.m.** **A NOTE MUST BE SENT to school when the child returns to school explaining the absence.** The specific nature of the illness must be indicated on the note. **Your child will be marked unexcused unless a note is sent to school.** The CPS attendance policy indicates that only illness, emergency in the family, or religious holiday will be excused. Going out of town for holidays during the school year is unexcused. Students with five or more days of unexcused absences will receive notice from the school through the mail. Students with **nine or more unexcused absences may be retained.**

If your child is tardy, entering the building after 7:45 a.m., he/she must get an admit slip. Your child will not be allowed into the classroom without an admit slip. **If your child is tardy three times, he/she will be given a detention (see Student Code of Conduct). It is very important that your child be in school on time every day.**

## **Change of Address and Phone Number**

If you move or change your phone number, notify the office as soon as possible with your child's name, room number, new address and/or phone number. If you expect to move over the summer, please notify the office prior to the last week of school. **WE MUST HAVE UPDATED PHONE NUMBERS AT ALL TIMES.**

### **P.E. Class Dress Code**

Children may wear their gym uniforms to school on the days they have gym. Children are to wear laced gym shoes for gym.

**PARENTS**-Please monitor that your child wears the uniform to school each day. We need parental support of the uniform policy, and we appreciate your cooperation.

### **Detention**

Children with minor discipline problems in the classroom, lunchroom, hallways, or playground will be subject to the Detention Policy of our school (for other consequences see Student Code of Conduct). Consequences for repeated minor violations, as well as serious violations will be given using the SCC. **Children with excessive tardies will serve detentions.** A child who receives a detention will serve the detention for one hour after school under the supervision of school personnel. Parents will be notified by telephone and/or in writing when the detention will be served.

### **Discipline**

Healy School students are subject to the Student Code of Conduct of the Chicago Board of Education. Parents are asked to refer to the Code which is distributed yearly. We expect students to behave properly at all times. We must maintain a safe, orderly and respectful learning environment.

Students are expected to abide by the school rules. The most important of these rules is respect for the rights and property of others. If a pupil's behavior interferes with the rights and/or property of others, appropriate actions will be taken.

These rules must be followed:

- Come prepared and on time to school every day.
- Respect other students, teachers, staff, and school property.
- Have a PASS from your teacher if you are out of your scheduled classroom.
- While in the hallways, move and/or stand in line in a quiet, orderly manner.
- Complete assigned class work and homework every night.
- Help keep the school clean and neat. Littering or writing on walls, books or desks is unacceptable.
- Show pride in yourself and your school.
- Use appropriate language at all times.
- Practice good citizenship.
- **NO GUM CHEWING** is allowed in the building.

- **Leave all electronic devices, headphones, radios, hand-held games, etc., at home. *Cell phones* are a disruption in class, as they are used inappropriately during school hours (see cellular phone request form). They will be taken away and a parent will have to come to school to retrieve a confiscated phone.**

The Board of Education has a Zero Tolerance Policy, which is enforced in all schools. Any student who commits an act of serious misconduct, or who is found to possess illegal drugs, firearms, and/or other dangerous weapons will be suspended immediately and face possible expulsion. Disciplinary actions are clearly described in the Student Code of Conduct.

### **Emergency Information**

It is of vital importance that we have emergency information on file in the school. In case of an emergency we must be able to reach a parent, guardian, or friend of the family. An emergency form is sent home every year so that your family can update the information. **If there is a change of information during the school year, please notify the school.** Emergency forms will be updated each January.

### **Inclement Weather**

The school will be opening for students at 7:30 am. During times of inclement weather, we will open the building at 7:20 am. For the safety of all our students please do not drop them off before these times. They will be allowed to stay in the auditorium until the entrance bell is sounded.

### **Food Service**

Breakfast and lunch are served daily. Applications for free and reduced price meals are sent home to every family for each child. **They are to be filled out completely, signed and returned to the school immediately. Failure to do so will result in free or reduced lunch being denied.** In the event that you are not interested in filling out the form for free or reduced lunch, **please return it marked Not Interested. We must have an application for every child ; your cooperation is extremely important. The State of Illinois requires every family to fill out a lunch form. This process affords us state funds. Please fill out and return the lunch form as soon as possible.** Children are not to pay for their lunch at the lunch line. They must pay the teacher in the classroom when lunch money is collected. Children are responsible for the good condition of their tickets.

### **Classroom Information Grading Policy**

This year every child will follow the Grading Policy of the Chicago Board of Education, which is:

- A – Substantially exceeds the standard, 90-100**
- B – Exceeds the standard, 80-89**
- C – Meets the standard, 70-79**
- D – Less than acceptable performance of the standard, 60-69**
- F – Does not meet the standard, below 60**

**Note: Students need a cumulative score of 280 points at the end of the year in order to pass reading, math, and writing class. This means that your child must score a minimum average of 70 (“C” or better) on each quarter in order to be on track for promotion at the end of the year**

Check the Parent Portal (<https://parent.cps.k12.il.us/pc/default.aspx>) to receive updated grades. The password and login are the same from the previous year. You will need to re-register if you allow your account to elapse. If you don't have access to the Parent Portal, please visit our main office to retrieve the information you'll need to access the portal.

### **Homework**

Homework is an important part of the instructional program at Healy School. It is an extension of the daily curriculum and helps to reinforce skills and concepts being presented in the classroom. Children are expected to do homework each night. **Students are to complete all homework assignments carefully and accurately and turn them in by the due date.** Parents will receive homework letters when homework is not completed. Children are to have the form signed and returned with the completed homework the following day.

The Chicago Board of Education has implemented a homework policy that states that every child is to spend a certain amount of time each night doing homework. **Healy School expects every child to read for pleasure each night for 20 minutes. CPS expects every child to read 25 books each year.** The following are suggested times for homework:

Kindergarten = 15 minutes per day  
Grades 1, 2 and 3 = 30 minutes per day  
Grades 4, and 5 = 45 minutes per day  
Grades 6, 7 and 8 = 90 minutes per day

**We need the support from all of our parents to see that children are doing their homework each night.**

### **Agenda Books**

Every child in grades 1-8 is required to have an agenda book. Each child receives an agenda book at the beginning of the school year. The agenda book is a tool to help your child organize daily assignments and work. Your child is to write his homework assignments in it. Teachers also use it as a home –school connection by sending notes, reminders, and announcements in the agenda book. Parents are asked to look in their child’s agenda book daily to check the assignments and other correspondence.

### **Book Reports**

Children are required to **read 25 books each school year.** Children are required to do one book report a month as part of the writing program. Each classroom has developed its own library and its own form of reporting. **Every Healy student is required to read or be read to for 20 minutes of recreational reading each night.**

### **School Supplies**

Students are expected to come to school with supplies needed to do school work. Pencils and paper are required to do daily work. Children in grades three to eight are required to have pens for their work.

**Children are usually not allowed to use markers and whiteout in school, unless directed by the teacher.**

### **Textbooks**

The cost of textbooks is rising. Children must take care of the books that are assigned to them. Children must cover their books when they receive them and keep them covered throughout the year. Textbooks and library books are school property. **Students are responsible for the books that they are assigned.** Students are responsible for lost and damaged books. **If a book is lost or damaged, the student must pay for the book.**

Teachers will assign textbooks to students with the expectation that they will be returned upon request. If a child is unable to locate the text for return or has damaged the text, then the replacement cost will be calculated and an invoice will be given to you requesting payment. All monies must be submitted to Healy School in cash prior to June 5, 2014. We regret that we are unable to honor your personal check.

### **Report Cards – Five Week Progress Reports**

A student’s progress is reported to the parents four times a year on the report cards. Parents are required to pick up their child’s report card twice during the school year, in November and April; at this time the teachers will discuss the progress of each student.

Students will also receive a progress report at the end of the 5<sup>th</sup>, 15<sup>th</sup>, 25<sup>th</sup>, and 35<sup>th</sup> week of the school calendar. These reports will give an indication of how the child is doing at that time. Parents must sign and return the progress reports. Please make an appointment with the teacher if there is a need for a conference.

### **Honor Roll**

Every child is given the opportunity to be on the Principal’s List and Honor Roll. Students must meet the set criteria for Healy School Honor Students.

**Principal’s List:** Straight A’s in all Curriculum Standard Areas No Checks in Curriculum Areas No Checks in Habits and Attitudes

**Honor Roll:** A’s – B’s or straight B’s in all Curriculum Standard Areas No Checks in Curriculum Areas No Checks in Habits and Attitudes

## **Graduation**

All students are expected to meet the graduation requirements set by the Chicago Board of Education. Students who do not meet the criteria set for graduation will not graduate with the class and will attend the Summer Bridge Program. Participation in graduation activities occurs when all requirements are met. A fee, schedule, and list of activities are sent to parents of potential graduates as soon as we receive the information from central office. Students in 8<sup>th</sup> grade are expected to participate in a minimum of 40 hours of community service before graduation.

## **Promotion Policy**

Decisions to promote or retain children are based on successful completion of the curriculum, attendance, and for students in grades 3-8, performance on the District Wide Assessment. Official notice of the current year's promotion policy will be given to parents and students at the beginning of the school year. Students who do not complete these requirements must attend the Summer Bridge program for grades 3, 6 and 8. Students who do not successfully complete the summer program will be retained.
