

LOOKING FORWARD TO A GREAT YEAR!

6TH Grade Team

Dear Parents,

Congratulations! Your child has successfully completed the 5th grade and is now prepared to enter 6th grade. We encourage you to have your child review the skills they learned in 5th grade over the summer. It is very important that they have memorized their multiplication facts, and continue to practice multiplication and division over the summer. We also suggest reading for at least 30 minutes each day and continue to work on TTM. Take advantage of the wonderful museums and parks our city has to offer. Watch the news to keep up to date on world events. These experiences will help your child strengthen their skills for a successful school year.

- **\$30 School Fee will be collected (beginning at Open House) and is due by October 3, 2017. This fee is used to pay for the following items: buses for field trips (yearly=one per class), agenda books, workbooks, subscription for online learning programs, kleenex, paper towels, hand sanitizer,**
- **\$15 Materials Fee will be used for Science Fair presentation board, novel (students will annotate and keep when finished reading), partial reduction of field trip cost. Any student not submitting school fee will not be eligible to participate in field trip utilizing free bus and will be charged full price for field trip utilizing reduction fee amount.**

The following items are suggestions, but also highly recommended. The school does not provide these items. We appreciate you sending these items with your child.

- 1 Scientific calculator (Texas Instruments TI30xa or TI30 IIs)
- 1 container of Clorox wipes

In order to ensure your child's supplies are not "lost" in the classroom, we highly recommend labeling them with your child's name and room number. We are looking forward to a great year and hope you are too. Enjoy your summer vacation and we look forward to the start of the school year on September 5, 2017.
