We Did It Again!

On Monday, October 26th, CPS released the ratings for all the schools in the district. Our school received 4.9 out of 5.0 points in these ratings. This is second highest score among all K-8th schools in the city (484 schools). This means that our school's performance substantially exceeds the city standards for academic performance. Being awarded a 1+ rating for both Growth and Attainment is the result of a lot of hard work and dedication in the classroom from teachers and students. This accomplishment is a collective effort and couldn't be done without the outstanding support and commitment from our students, faculty, parents, and community.

Congratulation Healy School...!

Earn your GED for Free at Healy School!

Healy School has partnered with Daley College of Chicago Community Colleges to offer ESL and GED classes here at our school for parents and community members *for free*, as long as there are enough people completing the registration process. Classes will begin in January 2016, just in time for the perfect New Year's Resolution: earning your high school diploma! If you are interested, please contact Julie Singler, Resident Principal at jkotter@cps.edu or [773-534-9190](tel:773-534-9190) for registration information. Spread the word! We need to have at least 15-20 interested adult students in order to begin classes at Healy.
