SCHOOL STORE

In an effort to make uniform purchases, as well as other school items, more accessible to all our Healy parents, last week our school launched the Healy Elementary School Online Store. In the store, Healy School families may order needed school uniforms, gym uniforms, school supplies, and other items for students. At this point, we are only opening the store for school uniforms. We are currently negotiating with a few vendors to add school supplies, as well as other school items to promote our school brand.

In regards to uniforms, the store will be open from March 2, 2015 to April 30, 2015. Orders placed during this time will be delivered to the school and given to your child by the last day of school (approximately, June 17, 2015). There is no delivery charge for purchases of uniforms through the site, since all of the orders will be shipped directly to our school and distributed to our students during the last week of school.

For parents that do not have a credit or debit card, they can come to the school and place their orders in the main office. We only accept cash for purchases done manually. All sales are final and the
