- ◆ Oct 9 - Progress Reports Distribution Day

Welcome Back!

It is with great pleasure that I welcome you to the 2015-2016 school year!

We are looking forward to a productive partnership with you to ensure our students can achieve their highest potential. We recognize that in order to be successful in school, our students need support from both the home and school. We know a strong partnership with you will make a great difference in your child's education.

As partners, we share the responsibility for our children's success and want you to know that we will do our very best to carry out our responsibilities. We ask that you guide and support your child's learning by ensuring that he/she:

- Attends school daily and arrives on time, ready for the day's learning experience. **Please remember that your child will be marked tardy if he/she arrives after 7:45 am.**
- Completes, all homework assignments given by teachers on time
- Reads daily to develop a love for reading and to improve literacy skills
- Shares school experiences with you so that you are aware of his/her school life
- Informs you if he/she needs additional support in any area or subject
- Knows that you expect him/her to succeed in school and go on to college

Cell Phones in The Building

We realize that it is important for parents to keep in contact with their child, particularly after dismissal time. However, on several occasions, students were caught using these devices during class and/or transition times. I ask you to please help us minimize the usage of mobile devices during school time by avoiding calling/texting your child from 7:45 am to 2:45 pm (4:30 pm if your child attends after school activities). Remember that if your child is caught using their mobile device during school time they will be subject to the consequences listed in the Student Code of Conduct.

Resident Principal

Please welcome Julie Singler to the Healy Elementary administrative team. She will be serving the Healy community this school year as a Resident Principal (Principal in Training).

Parking

This is a reminder that the Chicago Police Department will be issuing tickets to any vehicles parked in the allies, double parked, and/or abandoned around our school.

Building Hours

The school day begins at 7:45 a.m. and ends at 2:45 p.m. **The school building will not be open until 7:30 a.m.; therefore, please do not bring your child to school prior to this time. We don't have any staff available to supervise your child if you send him/her to school before 7:30 a.m.**

Healy Visitor Policy

Parents are welcome to visit our school anytime. To ensure visitations are productive for both school and visitors, please follow these guidelines:

1. All visitors must sign in with the security officer after entering the building. They must immediately proceed to the main office to inform our clerks the nature of their visit.
2. If a visitor is visiting a classroom or any other area of our building, they must wear a visitor identification sticker in a visible place.
3. If a parent is planning to visit a classroom to observe their child, they must provide prior notice to teachers and staff to arrange appropriate times and days. This notification must be done at least 24 hours prior to their visit.
4. Conferences with teachers cannot be scheduled during class time. Parents must make arrangements with their child's teacher to meet either during the teacher's preparation time, or before/after school.

We ask that you do not interrupt the classroom schedule by going directly to the classroom. All contact with students should be made through the school office.
